SICILIA CERAMIC BASKETS

The Sicilia ceramic baskets typify the Southern European aesthetic of organic forms and geometric lines. Showcasing both expert craftsmanship and the purity of the natural materials used, the baskets perform both as a practical and decorative piece.

Each basket is made of delicately woven earthenware, creating a striking swirled pattern. This visual fluidity is enhanced by a fine, glossy glaze in contemporary colours. Elegant and refined, the baskets will introduce an authentic and stylish quality to any space.
